# YOUR SUPPORT MATTERS

Join "The Universal Royal Law of Love" Project

## BE PART OF A MEANINGFUL MISSION

Since the founding of God Cares Ministries in 1999, this mission has continued entirely through the sacrificial support of our own family resources, without financial assistance from any individual, family, organization, or institution—either in India or abroad.

Today, we humbly invite compassionate hearts across the world to support the production of truth-filled video albums, music albums, documentaries, educational media, and multilingual publications that address and expose the growing evils affecting society today.

**Through these productions, this mission seeks to bring awareness and guidance regarding:**

- ✓ Violence, hatred, and corruption in society
- ✓ Immorality, injustice, and moral decline
- ✓ Destruction of family values and human dignity
- ✓ Addiction, abuse, and harmful lifestyles
- ✓ Religious intolerance, division, and hatred
- ✓ Lack of compassion, peace, and respect among humanity
- ✓ The urgent need for righteousness, truth, love, harmony, and obedience to the Universal Royal Law of Love

**Your support will help us:**

- ✓ Produce multilingual video albums and music productions
- ✓ Create educational and humanitarian media content
- ✓ Translate truth-filled productions into many world languages
- ✓ Reach people globally through digital outreach and publications
- ✓ Spread messages of peace, righteousness, compassion, truth, and hope
- ✓ Educate humanity about "The Universal Royal Law of Love" and its importance for peaceful living

These productions are intended to inspire moral transformation, strengthen families and communities, encourage compassion and righteousness, and guide humanity toward peaceful coexistence.

By supporting this mission, you become part of a global effort to spread truth, love, peace, and hope through media and educational outreach.

"He that hath pity upon the poor lendeth unto the Lord." — Proverbs 19:17

We sincerely thank you for your prayers, encouragement, and financial support.
